

THANK YOU...

for your interest. Life insurance helps make sure that the people you care about will be provided for financially, even if you're not there to do it yourself. You deserve that peace of mind.

The Interview Process

Notice of your interest in a life insurance interview from Banner Life Insurance Company or William Penn Life Insurance Company of New York will be sent electronically to us. The facts you provided will be recorded for tracking purposes and forwarded to the Legal & General America Call Center.

The Call Center is staffed by insurance professionals who make every effort to schedule the interview on the day and time you requested. If we can't accommodate the request, the Call Center will call right away to schedule another convenient time for the interview. The interviewer who calls will ask questions that will be used to complete an application for life insurance and schedule your paramed exam. The information on your application will ultimately be reviewed by one of our underwriters to determine whether you qualify for the coverage requested.

All of the information you provide will be kept confidential in accordance with our privacy policy and will be used only for consideration of the coverage for which you apply. Your privacy is important to us and our corporate privacy policy can be found on our website at www.LGAmerica.com.

In most cases, the interview takes only 30 minutes.

It's important to have on hand:

- your driver's license number
- names, addresses and phone numbers of doctors, hospitals or clinics you've visited in the past 10 years
- reasons for and dates of treatment
- the names of any prescription medicines you are taking
- other life insurance policies including company names and coverage amounts
- financial information including income, assets, liabilities and net worth

The Application

During the telephone interview you will have the option to give your verbal approval for us to begin underwriting your policy. This option eliminates the need for the application to be sent to you for your signature. If you elect to use the voice signature option you will need to provide the call center with your social security number and an email address. A copy of your completed application will be sent to you via email for your records. If you elect not to use the voice signature option then after the telephone interview the completed application and further instructions will be sent to you via two-day delivery service.

The Paramed Exam

Our Call Center will arrange for an abbreviated exam by a paramedical technician. For your convenience, the exam can take place in your home or office. After your interview, the paramed will contact you within 48 hours to schedule the exam. The exam results enable us to offer you the most competitive rate possible for your life insurance policy.

The Exam Includes:

- measurement of your height, weight, blood pressure and pulse rate
- collection of blood and urine specimens
- in some cases, an electrocardiogram (EKG)
- in some cases, a medical history report

Get a good night's sleep prior to the exam and, if you can, skip heavy exercise on the day it's scheduled. You'll get best results if you relax and also:

- do not eat solid foods or drink alcoholic beverages eight hours prior to the exam
- avoid tobacco or caffeine products for at least one hour prior to the exam
- drink a glass of water before providing the urine specimen

Policy Coverage

Life insurance coverage is not in effect until your application is approved, and any outstanding policy requirements and your first premium payment have been received. Approval is not guaranteed.
