

# *Let SRS be your LTCi Specialist*

**How would you like to earn an extra \$10,000, \$20,000, \$30,000  
or more in LTCi commissions?**

We know that you are busy running your business. Being knowledgeable and keeping up with another detailed product, such as Long Term Care Insurance can be difficult and time consuming.

THAT's WHY... for years, Life, Health, P/C agents and Investment Reps have been teaming up with the SRS, the LTCi Specialists. We have over 20 years experience and have sold millions of dollars of LTCi premium.

**SRS can be *your office extension* for Long Term Care Insurance!**

Here's how it works, when your client wants to talk about LTCi:

- You set up the appointment...  
at your office, your client's office or their home
- You introduce us to your client as your in-house specialist
- We'll present the case or we will assist you on the appointment

***YOU MAKE THE COMMISSION — with no overhead —  
...It's that simple!***

By teaming up with SRS, you can fully service your clients, maintain your professional image with your clients and not risk losing your client to another broker.

In addition to having a satisfied client, you get paid on the sale!

Call SRS and give us a try –  
you'll like us, your clients will like what you've done for them  
and you'll enjoy the commissions.
