## ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

**The benefit received under the rider may be taxable. Receipt of the accelerated death benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting the benefit.**

**This rider is not a long-term care policy as defined in sections 38a-501 and 38a-528 of the Connecticut General Statutes.**

This disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

### BENEFIT DESCRIPTION

While the rider is in force and the insured has a terminal illness, you may elect to receive the accelerated death benefit before the insured dies. A terminal illness is a medical condition that will result in the insured's death within 12 months. A physician must certify that the insured has a terminal illness or is under nursing home confinement.

The amount available for the accelerated death benefit is your policy's death benefit. You may receive the accelerated death benefit only once.

For a terminal illness, we will reduce the accelerated death benefit by 6%. We will also reduce the accelerated death benefit by a \$100 charge and by the amount of any loans and unpaid premiums.

### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

The rider will terminate when the accelerated death benefit is paid.

**NOTE:** If the policy is issued as a graded death benefit, the accelerated death benefit is not available.

### Acknowledgment

I acknowledge receipt of this disclosure form.

## ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

**The benefit received under the rider may be taxable. Receipt of the accelerated death benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting the benefit.**

**This rider is not a long-term care policy as defined in sections 38a-501 and 38a-528 of the Connecticut General Statutes.**

This disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

### BENEFIT DESCRIPTION

While the rider is in force and the insured has a terminal illness, you may elect to receive the accelerated death benefit before the insured dies. A terminal illness is a medical condition that will result in the insured's death within 12 months. A physician must certify that the insured has a terminal illness or is under nursing home confinement.

The amount available for the accelerated death benefit is your policy's death benefit. You may receive the accelerated death benefit only once.

For a terminal illness, we will reduce the accelerated death benefit by 6%. We will also reduce the accelerated death benefit by a \$100 charge and by the amount of any loans and unpaid premiums.

### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

The rider will terminate when the accelerated death benefit is paid.

**NOTE:** If the policy is issued as a graded death benefit, the accelerated death benefit is not available.

### Acknowledgment

## Replacement of Life Insurance or Annuities

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

### PREMIUMS:

---

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

### POLICY VALUES:

---

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

### INSURABILITY:

---

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

### IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

---

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

### IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

---

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

### OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

---

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?
