

Nationwide® Intelligent Underwriting

Available in all states except NY

Nationwide® Intelligent Underwriting streamlines the life insurance application process for you, your advisors and their clients. It can provide a faster and more efficient underwriting process with:

- Faster time to an underwriting decision
- Fewer attending physician statements and less need for additional underwriting requirements
- An accelerated process for some of the healthiest clients by eliminating the exam and labwork¹
- Less time spent on application paperwork, including the need to gather clients' medical history

How does it work?

Completing the tele-interview

Option 1: Once the application has been entered into our system and submitted to the third-party vendor, they will contact the client to complete the tele-interview immediately.

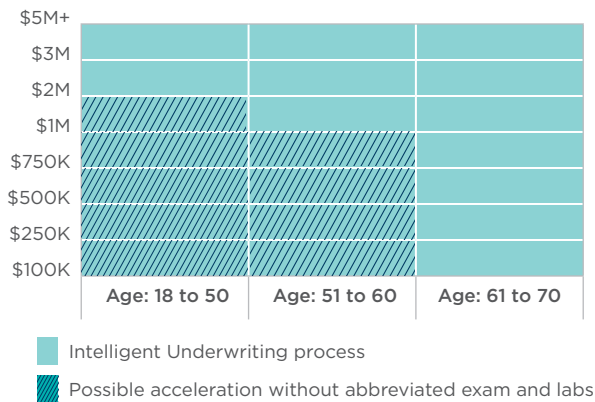

Option 2: If the client is not able to complete the interview at that moment, they can schedule a call back at their preferred day and time. The interview will be recorded, and the client signs via electronic voice signature. Healthy clients can expect an average interview time of 20 minutes, but time may vary significantly depending on client health and ability to provide detailed information on medical history. Nationwide may notify you about any additional underwriting requirements within a few days after completion of the tele-interview.

If an abbreviated exam is necessary, the examiner may collect:

- Height, weight, blood pressure and pulse information
- Urine and blood samples

¹ U.S. citizens and permanent residents (10-year green card status) ages 18 – 50 applying for face amounts of \$100,000 to \$2 million and/or ages 18 - 60 for face amounts of \$100,000 to \$1 million are eligible for possible acceleration.

Eligibility guidelines²

Acceleration guidelines

- Ages 18-50, Face amounts of \$100,00 to \$2 million on eligible products
- Ages 51-60, Face amounts of \$100,000 to \$1 million on eligible products
- U.S. citizen or permanent resident (10-year green card status)
- Risk classes of Nontobacco Preferred Plus, Nontobacco Preferred, Tobacco Preferred and Nontobacco Standard Plus

Setting eligibility expectations

For some of the healthiest clients, an underwriting decision will be made without the need for additional underwriting requirements. Some of the healthiest clients will **not** be accelerated simply because we don't have enough information to make a decision. Therefore, additional underwriting requirements will be needed to reach an underwriting decision. Preferred, Preferred Plus and Standard Plus underwriting classifications are still available even if clients are not eligible for acceleration.

Staying informed throughout the process

- Welcome letter from your case manager upon Nationwide's receipt of the application
- Notification if the tele-interview has not been scheduled five days following the application submission
- Accelerated offer notification, or a next-steps request for additional requirements
